The Special Olympics Festival will also be a place for families during the National Games. **Especially on Saturday, June 18, 2022, the Special Olympics Festival will be held under the motto "Family Day"**. Therefore, we invite you to participate in the cultural program already on Saturday before the opening ceremony. The program of the Festival at the Neptunbrunnen in the heart of Berlin will be focused on families and there will be a lot to discover.

## 5. COVID-Measures

### 2G Event: Special Olympics National Games Berlin 2022

The Berlin Senate has decided to relax pandemic restrictions in Berlin starting in the spring. We are very happy about this news. After all, they give us confidence that the National Games will be able to take place as planned, given the currently expected course of the pandemic.

Therefore, the Presidium has decided that at the National Games 2022 in Berlin, the 2G regulation should apply to all accredited persons. **The prerequisite for participation is therefore a valid vaccination protection according to EU standards - or being recovered according to the standards of the Federal Republic of Germany.** Based on the pandemic situation, adjustments of the measures are possible, but the 2G decision represents the minimum standard.

The 2G decision ensures equal treatment of national and international participants. It is in accordance with the "Corona Protocol" of Special Olympics International and has been coordinated with SOI.

**The decision affects all accredited persons who will participate in the National Games Berlin 2022 – therefore, also Families.**
